and his father was also named Henry -
He came from England - no date -
I see no name - "Wren" any where in
the history of my family - I did find
a note saying that the last named Henry
was the only one of his family who
migrated to America. It is possible that
all of the Graysons were descendants of this
person -

I'm sorry that none of our ancestors saw
fit to preserve our family history -
My grand father was one of nine children.
One of his brothers moved to Texas at an
early age. A county was named in his
honor - I was able to get a long history
of his life and family from the Dallas
Public Library -

I hope this will be of some help to you
and I would like to know something of
you + your family.
I will try to visit Blaine Co. sometime
soon and perhaps can get more information
on your family. If so, will pass it on to you.

Sincerely yours

O. Grayson
