Yes, I've always noticed that there was an entire "life" before me. Â Mom and Dad had this family and all of this fun and then several years later, I came along. Â J. Â Kris- I absolutely LOVED the way you talked when you were 3! Â reminds me of Jackie- it was hard to understand her but she kept talking anyway!! Â HA HA.Â

Doesn't sound like Mom- sounds like the Mom from Leave it to Beaver!  
 Hey- Janelle- think of all the fun you missed out of!
