Subject: Thoughts

I don't have a lot of happy memories of childhood but I was happiest in Perryville. Then your recording in Hampton, Iowa brought back lots of memories. I was in the 10th grade so I was 14 and 15. I really liked Hampton. I remember that house so well - I LOVED that house. That was the favorite of any house I have lived in in my entire 67 years!And I was actually popular that year in school. It seemed everybody liked me there as opposed to Boone, Iowa Falls and where ever else we lived where NOBODY liked me! I was voted Class Treasurer, went to ALL school functions and dated every boy I wanted to date!..... That was the house where I had the bedroom upstairs that had a HUGE closet with a window in it that overlooked the town square. So I lived in my closet. I'd run upstairs, close my bedroom door, go into my closet and shut the closet door. I had my desk in there and my radio, so I could study listen to music and keep tabs on what was going on "on the square"! If something was "happenin'" I'd run downstairs and downtown!! The town square was half a block away. We lived in the first block off the square and our house was in the middle of the block. My dad's sister, Aunt Esther lived with us, there, too, and also had an upstairs bedroom. But I lived in my closet and rarely ever talked to Dad, Grace or Aunt Esther!! That was a really GREAT year - but then we moved - back to Boone, I think! And that was horrible!!

But the point of all this is - most of my happy childhood memories revolved around you, Dick, and June so once again I say....."Thanks for the memories"!

Love, jan
